SUBJECT: Peter Dufour

Dear Al:

Approximately one year ago we received information concerning the registration of Peter Dufour. At that time, we were told that this individual who was registered as an Assistant Scoutmaster in Troop 181 had placed himself in such a position that he should no longer be a leader.

We wrote to you asking for more information and the outcome of legal action. We have not heard anything since that time.

I am enclosing a Confidential Record Sheet which I would like to have completed, so we may recognize Mr. Dufour should he try to register in some other location.

Please let us know if we may be of help to you. It is most necessary that we have the above information if we are to keep Mr. Dufour on the confidential file and refuse future registration attempts.

Police Step Up Investigation Involving Boy Scout Counselor

By ED KELLEY
Of The Times Herald

Upper Merion Township detectives and State Police at Limerick said yesterday they have started a follow-up investigation into the possibility that other teenage boys may have been molested by the 23-year-old Boy Scout counselor charged with the sexual assaults on four boys.

Detective Frank Ferlick said police are interviewing other children who "may or may not be involved" in similar incidents. Police have charged Peter J. DuFour, of the 200 block of Gypsy Lane in Upper Merion, a former merit badge counselor for the Boy Scouts of America.

DuFour, who also is a former dispatcher for the Valley Forge National and Historical Park Rangers, was arrested late last month after another park dispatcher discovered a computer cassette tape on July 18, which detailed the suspect's alleged

sexual conduct with a teenage boy from Upper Merion and two scouts from Forest Hill, Merion Township.

Following an investigation, DuFour was charged with multiple counts of sexual assault, involuntary deviate sexual intercourse, corrupting the morals of minors and related offenses.

According to Limerick state police who conducted the initial investigation, DuFour is alleged to have sexually assaulted two Upper Merion brothers, ages 12 and 14, on five different occasions last summer at a home in Upper Merion.

Police also said two 13-year-old Lower Merion boys allegedly were sexually molested this past May by DuFour at the Gladwyne Boy Scout House and the Tribune War Memorial Boy Scout House in Lower Merion.

There were several other names, I'd say about four or five, which came to the surface during the initial investigation

Service would be provided initially to the villages of Limerick and Linfield and in adjoining areas, but the system must be capable of being expanded throughout the township.

In addition, the system must be designed at no expense to Limerick and the firms must be willing to sell the system to the township after a pre-negotiated length of time. The system must be financed with funds from private investors' plan, developed after federal funds were cut for municipal sewer projects.

The seven firms that were granted interviews are: (McCall) and Eddy Bridgewater, N.J.; Engineering Sciences, Inc., Fairfax, Va.; Utility Construction, Fort Wayne, Ind.; Ruthraqua Research Corp., King of Prussia; Engineering En Corp., Prussia; Norma, Okla.; and William G. Skelly, a Philadelphia law firm representing the Boston and English financing company.

Betz, Converse and Murdoch, Inc., the Plymouth Meeting engineering firm which at one time had sole rights to the project, were not invited to the interview because township officials say they are already familiar with the BCM proposal.

Proposals from four other engineering firms, such as Y.W.C. Inc., of Monroe, Conn., whose proposal was received by the township yesterday, also will be considered, but officials hope to eventually narrow the field to two or three companies before requesting formal bids.

Tapes led to arrest

Scout leader faces sex charge hearing

By Jon Ross

An Upper Merion Boy Scout counselor will face a preliminary hearing Friday in District Court on charges he sexually molested four Scouts between the ages of 12 and 14 in Upper Merion and Lower Merion Townships.

A computer cassette tape containing detailed information of the sexual activity between Peter J. DuFour, 23, of 221 Gypsy Lane, Gulph Mills, and the four teenagers led to his arrest by state police Aug. 29 at McDonald's restaurant in King of Prussia, where he was working, a state police spokesman said. The tape was discovered by Valley Forge National Historic Park rangers, the spokesman said.

DuFour, a former dispatcher at the Valley Forge ranger station was charged with multiple counts of involuntary deviate sexual intercourse, statutory rape, indecent assault, corruption of minors and endangering the welfare of a child in separate incidents this May and last summer.

State police from the Limerick barracks said the tape was discovered July 18 by a ranger dispatcher, who placed it into a computer at the ranger station. The tape contained an account written by DuFour of the alleged sexual acts he committed with a Scout from Upper Merion and two Scouts from Lower Merion, police said.

An investigation led to DuFour being charged with the assault of the brother of the Upper Merion Scout, police said.

The incidents involving the two Upper Merion brothers, aged 12 and 14, occurred five times last summer at a home in the Hughes Park section of the township, police said.

Two other incidents, involving two 13-year-olds from Lower Merion Township, police said, occurred at the Gladwyne Boy Scout House and the Tribune War Memorial Boy Scout House in Lower Merion.

Police said DuFour confessed to the charges July 30, after being confronted with the computer tape. He left his job as a ranger dispatcher the same day, police said.

DuFour was arraigned before District Justice Donald O. Riehl of Upper Merion and committed to Montgomery County Prison. He was released after posting a \$10,000 bond.

According to Boy Scout officials, DuFour served as a Boy Scout merit badge counselor, a coordinator with the Valley Forge Park-based Explorers Troop 140 and an assistant scout master with two troops in Lower Merion.

Upper Merion police said Monday members of the juvenile division have begun their own investigation into the incidents. State police said their investigation is continuing.

Peter J. Dufour, 23, of the 200 block of Gypsy la., was arraigned before Upper Merion District Justice Donald O. Riehl and held on several counts each of involuntary deviate sexual intercourse, statutory rape, corruption of minors, indecent assault and endangering the welfare of a child. He was sent to Montgomery County Prison in lieu of \$10,000 bail.

According to police statements, Dufour is a merit badge counselor for the Boy Scouts who used his position and his affiliation with a youth center in Wayne to meet and

engage in sex with four boys during the summer of 1983 and May of this year. One incident, police charge, took place in a carriage house on the grounds of the Merion Tribute House in Lower Merion, the others in Upper Merion.

Michael Pahides, director of the Wayne Teen Center, said Dufour served "very briefly" as a volunteer counselor last spring, but left when the Teen Center checked his credentials and did not adopt his program suggestions.

His position as a counselor with the Boy Scouts was a volunteer one.

A preliminary hearing has been scheduled Friday in Upper Merion.
