Dear Paul:

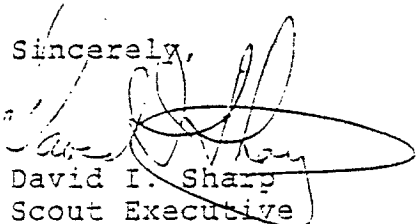

Enclosed are confidential record sheets for two Scouters.

The incident which caused me to send the report on Thomas Huyett is very recent, as you will see by the attached copy of the local newspapers.

The incident surrounding the submission of this report on Jerry Keenan goes back to the summer of 1984, I believe. It was resolved at that time by his resigning as advisory of the Explorer Post at the Pottsville Hospital but, since no formal charges were made, it was never reported to your office.

If I can answer any questions on either of these cases, please let me know.

Sincerely,

David I. Sharp
Scout Executive
